PLEASANT VALLEY DAY CAMP DESIGNATED HEALTH DIRECTOR

Health Director Position - Camp Sunny Days

Camp Sunny Days operates 6 weeks, from June 27th to Aug. 5th, 7:30-5:00pm (varied schedule), at the Helen Aldrich Park.

Health Director Requirements

Leader of health related issues at camp. Must be certified RN, or LPN or EMT. Must be able to react to quickly evolving situations with logical and practical solutions. Previous experience with children is preferred but not required. Must review all immunization and medical related records prior to start date of camps to familiarize themselves and camp staff with any high risk campers. Must organize and maintain all medical records. Reports to Camp Director / Recreation Director. This position may include duties not listed, to adhere to local, state, and government standards as well as the ever changing nature of the position. Interested candidates please contact Sandy Coe at 845-635-1111x203 or scoe@pleasantvalley-ny.gov.
